Moucali Boor
P.O. Box 438
Kakamega.

My name is Moucali Boor, an employ of Ministry of Lands, Housing and Urban Development currently stationed at Kakamega Lands Registry as a Land Registrar. Previously I worked in Kisumu Lands Registry as a land registrar from late 2010 to Mid 2013.

I do remember today at law courts Kisumu, I was approached by a police officer named Mr. Tamba who showed me uncertified copies of Green Cards for land parcels Kisumu/Kenya/5087 and Kisumu/Kenya/4794. He also showed me a letter reference KSM/DCR/DCIO/Vol.1/186 concerning the same parcels from the District Land Registrar Kisumu. The same confirms that the green cards of the said parcels cannot be traced.

On the strength of the letter I do make my statements basic on the ~~uncertified~~ ~~uncertified~~ copies presented to me. The copy of green card for parcel KSM/Kenya/5087 was entries from 1-9 and entries 485 which were registered on 6/10/2010 in the name of RUDI MARGUARD ELECTRONICS CO. LD and ~~in~~ 2012 title deed issued ANE ~~272583~~ 272583

were signed and issued by Me upon presentations, inspection and registration of the documents by our registration clerks. Entries no. 6 & 7 however, were not signed ^{nor} issued by Me. The appended signature and stamp impressions are not Mine.

The copy of presented green card for parcel Kumlkanya/4794 contains entries 1-9 entries 4 & 5 registered on 6/12/10 in the names of RUDI MARAWATI ELECTRONIC CO. LIMIT. and issuance of title deed ANO ~~272863~~ ²⁷²⁸⁶³ on 9/12/10 were signed and issued by me upon presentation, inspection and registration of the documents by our registration clerks. Entries 6 and 7 however, were not signed nor issued by me. The handwritings of the two entries ^(6 & 7) are really strange and didn't come across any of that kind ~~while~~ during my ^{working} ~~time~~ period ~~of work~~ in KSUMU Registry. The appended signature and the stamp impressions are not Mine.

The entries 6 & 7 of parcel KSUMU/Kanya/58 also bears the strange handwritings which didn't come across while discharging my duties as a Land Registrar in KSUMU Land Registry. I wish to state that entries 6 & 7 on both parcels, are forgeries.
